This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the capel the foul humors which fester in the blood at that season of the year. By the first properties of the control (Trumbull,) in which he believe to the control of the county (Trumbull,) in which he redurance of foul cruptions and ulcrous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body an alterative medicine. Cleanse out the vittated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is observed and sluggish in the veins; cleanse it whenever it is fold, and your feelings will tell you when. Even where no particular disorder is fell, people cripsy better health, and light honger, for cleansing the blood. Keep the blood healthy, and all is well; but with this plandum of life disordered, there can be no lasting health. Sooner or later something, must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputations of ft, partly because the drug allow health will be a strictly because the drug allow health would be been egregiously deceived by preparations of ft, partly because the drug allow health would be a constitute of the virtue that is claimed for it, but must be cause many preparations, preceding to be comentrated extracts of it, contain but little of the virtue that is claimed for it, but must be a cause many preparations, preceding to be comentrated extracts of it, contain but little of the virtue of Sarsaparilla, but offen no curative properties whatever, there are put of the properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but offen no contain properties whatever.

DR. J. C. AYER & CO. LOWELL, MASS. Price, \$1 per Bottle, Six Bottles for \$3

Aver's Cherry Pectoral has won for fiself such a renown for the cure of every variety of Throot and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its victure, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than throughout this section, we need not do more than throughout this section, we need not do more than throughout this section, we need not do more than throughout this section, we need not do more than throughout this section, we need not do more than throughout this section, we need not do more than throughout this section.

September 21, 1860 .- [1y we IT IS NOT TOO MUCH TO SAY SINCE ALL. OLD AND YOUNG AFFIRM ITS TRUTH;

VIZ: That Prof. Wood's Hair Restorative Will preserve infullibly the growth and color of the harr, it used two or three times a week, to any imaginable age. Perfectly restore the gray, cover the bald with nature's own ornament, the hair; make if gore soft and beautiful than any oil, and preserve the scalp free from all disease to the greatest age. Statemen Judges, Attornays, bectors, Clorgimon, Professional men, and gentlemen and ladies of all clusses, all over the world, bear testimony that we do not say too much in its favor.—Read the following a. d judge:

St. Charles co., Mo., Nov. 19, 1857. Paor, O. J. Woon—Dear sir: Some time last Summer we were induced to a e-some of your Harr Restorative, and its electes were so won-derful, we feel it our duty to you and the at-

Dur little son's head for some time had been perfectly covered with sores, and some called it Schill ligad. The hair almost entirely came of the Scandinavian Vegetable Blood Pills 20 of the Scandinavian Vegetable Pills 20 of the Scandinavian Vegetable Blood Pills 20 of the Scandinavian Vegetable Pills 20 o report. tle son's head for some time had been

Page Woods Jear sir. My hair had, for nev-oral years, been becoming prematurely gray accompanied by a hardiness which removed the constant application of oil necessary in dressing it. When I continued using your dressing it. When I commenced dressing it. When I comments ago, it was that Restorative, about two months ago, it was that Restorative, and having continued its use in that condition; and having continued in till within the last three weeks, it has turned to its instural color, and assumed a softness and luster greatly to be preferred in those produced by the application of others any other preparation I have ever used. I regard it san indispensable article for every had 's toder, whether to be used as a Hair Restorative or for the simple purpose of dressing or boundifying the hair. You have permission to refer to me all who entertein any doubt of its performing all that is claimed for it.

CINCINATI, O., Feb. 10, 1857.

WELLINGTON, Mo., Dec. 5, 1857.

WELLINGTON, Mo., Dec. 5, 1857. Pager. Wood Dear sir: By the advice of a friend of mine, who had been using your liair Restorative, I was induced to try it. I had the Fever, some time hat May, and nearly overs hair in my head came out. Now my hair hacome its a great deal thicker than ever it was Nothing but a duty and sympathy that I feel to communicate to others. Who \$25.00 Members in the communicate to others. Who \$25.00 Members is the second of the communicate to others.

A. R. JACOSS.

The Resterative is put up in bottles of three sizes, viz: large, medium, and small; the small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per centum more in proportion than the small, retails for two dollars per bottle; the heree holds a quart, forty per centum more in proportion, and retails for £3 a holf.

December 5, 1859,--fuf MOFFAT'S THESE MEDICINES have now been before the public for a period of THIRTY YEARS and during that time have maintained a high character in almost every part of the Gh

for their extraordinary and amediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES

are well known to be intallable. DASPEPSIA, by thoroughly cleaning the first and second stemachs, and creating a flow of pure, healthy bite, instead of the stale and acrid kind; FLATCLENCY, Loss or Argetts Hearmens, Hearache, Restlessess, Ll. Temper, Lasouen, and Melanchely, which are the general symptoms of hyspepsia, will vanish, as a natural consequence of the care are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its care. CONTIVENESS, by cleaning the whole length of the intestines with a solvent process, and without violence all violent purges leave the lowels custive within two days.

FEVERS of all kinds, by restoring the those to a regular circulation, through the process of respiration so such closes, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure RHECMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

MEHCI RIAL DISEASES. Potents whose

constitutions have become injuried by the significance use of Morcury, will find these Morcury infinitely so nor than the most pow
